DST - NIMAT Project 2017-18 Entrepreneurship Awareness Camp - V

MIET Engineering College, Trichy - Entrepreneurship Development Cell organised "Entrepreneurship Awareness Camp - V" from 24.04.2018 to 26.04.2018 sponsored by DST-NIMAT project for the year 2017-18 from EDII- Ahmedabad.

The camp was inaugurated by Mr. G.Elango CEO, Care Food Products, Trichy has delivered the lecture and shared his experiences on the topic "Why Entrepreneurship?" on 24.04.2018 at 10.00 am held at Training & Placement Seminar hall. He explained difference between Businessman and Entrepreneur with examples. He spoke why it is important to be innovative for an entrepreneur. Activities were conducted to help the participant's network with each other and the importance of that was highlighted to the participants. At the end of the session was ended with an interactive session between the students and the speaker.

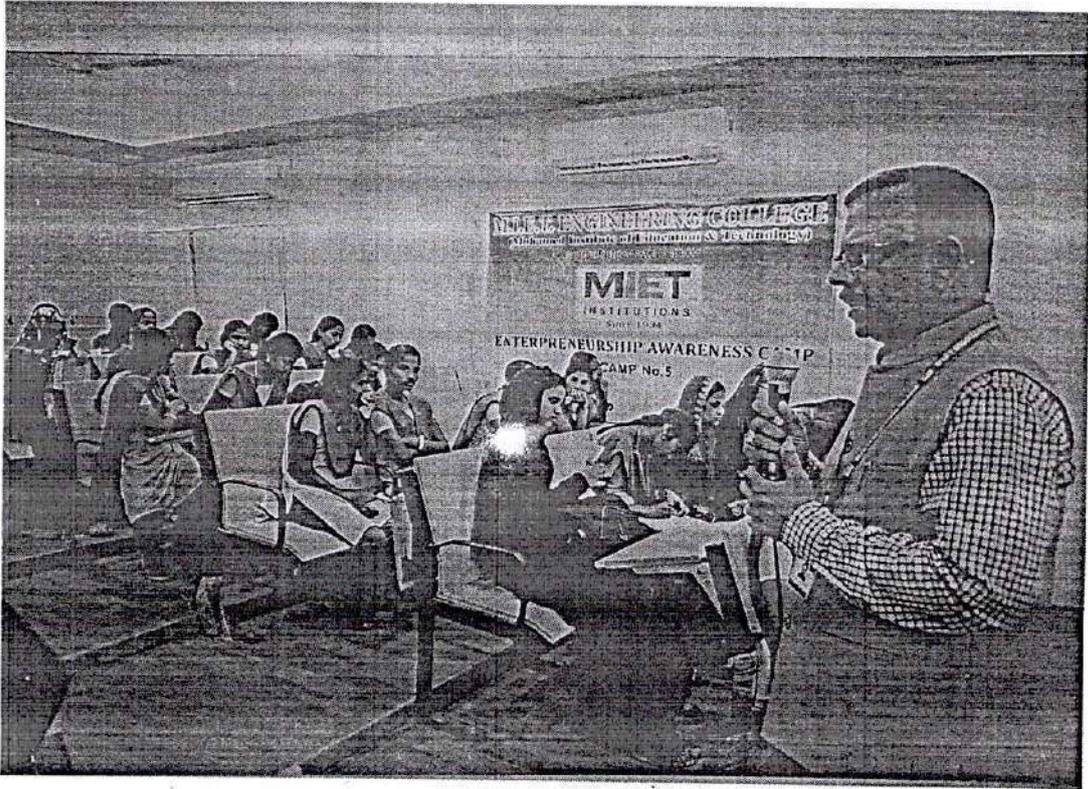

On 25.04.2018 Prof. A. Belin Jude Asst. Prof./ Civil Engineering M.I.E.T, Trichy was the guest and he had delivered the special address on the topic How to Start an SSI unit?. Sir sharing his experience as an entrepreneur and how her journey started. He shared the struggles while starting a small scale industry. He explained students what small scale industries are and what are the pain points that an entrepreneur should focus on while starting a SSI. He also discussed the sectors of opportunities that are available for SSI in India. Also she highlighted the importance of attracting right talent and right partners for setting up of any company. He concluded the session by highlighting the importance of "investing in yourself". 66 students from various departments were eagerly participated in the EAC - V.

On 26.04.2018 the Last day of the programme, Industrial Visit - Livia Polymer Ltd., Mandaiyur - Pudukkottai Road—had been arranged for the participants.

Report

Workshop on Financial Educational Workshop for Young Investors

Organized by

DEPARTMENT OF MANAGEMENT STUDIES (MBA) in
association with ED cell on 28th November 2017 (Tuesday)
at 10.00 am in the College Seminar Hall

Resource Person: Dr. PL. SENTHIL, Certified Financial Educational Trainer (SEBI)
Assistant Professor, Department of Management Studies, Jamal Mohammed College,
Trichy.

The program commenced at 10.00 AM with a welcome address and introduction of resource person by Prof. Belin A Jude AP/CIVIL Coordinator(EAC), Coordinator ED Cell, Dr.X. Susan Christina was also present.

Dr. PL. SENTHIL, Certified Financial Educational Trainer (SEBI), visited our institution to acknowledge all the students about Entrepreneurship for start-ups: Role of Technology and Innovation. It was a wonderful session about how a start-up should actually start and what are the major skills and qualities an entrepreneur should possess and moreover he elaborated about when is the right time to start the path of Entrepreneur. He gave us the idea of why, how, and what a student to know, gain and conquer to lead a path of successful entrepreneurs. Dr. PL. SENTHIL, delivered his presentation about the journey of a student to becoming an entrepreneur, and Ikigay (Japanese way of analysing ones point of interest) was one among his topics which he explained about and that gave every student an idea of what to focus on in order to work on the particular topic, and he gave us a brief tour of the technologies that his company is working on, and some of the most interesting tech where the electrical comb to monitor the long hair of women and the other was the ice-cube vending machine which takes in air and gave out crystal clear cubes of ice which are edible.

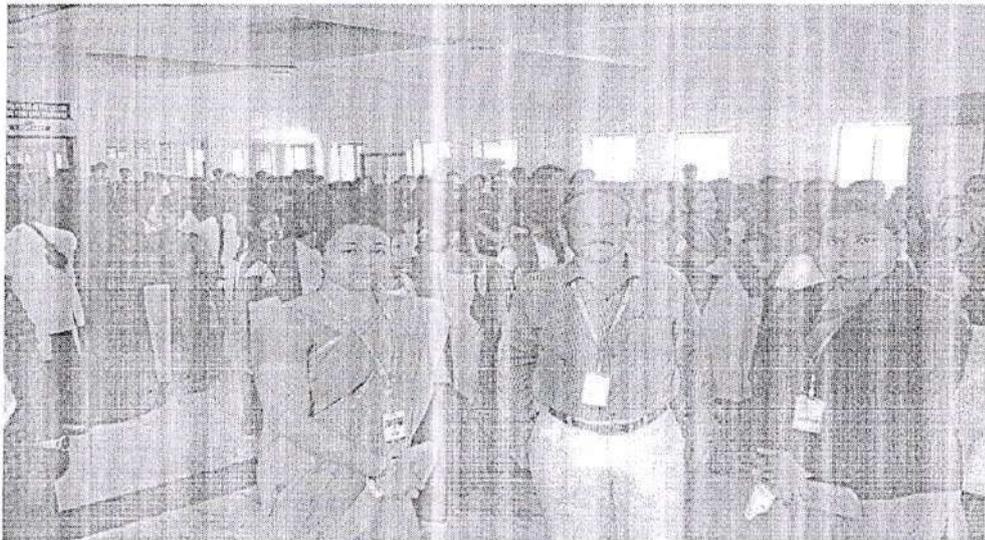

The resource person also highlighted in the seven-step process of business proposal such as

- Customer validation and Proposition
- Product development with innovation and technology
- Design a business model
- Revenue model and pricing

A. S. J.
PRINCIPAL
M.I.E.T. ENGINEERING COLLEGE
GUNDUR, TIRUCHIRAPPALLI-620 007.

- Revenue model and pricing
- Cost structure, key resources and activities
- Go-to-market strategy, channels and customer relationships
- Scaling business to create unicorn or exit by Mergers & Acquisitions route

At the end of the session, he gave us an insight on the known-knowns, known- unknowns and the unknown-unknowns, which had unique significance on an entrepreneur and the session was a complete success with a round of interaction session between students and resource person. The lecture received an overwhelmed response with the participation of almost 75 students. Entrepreneurship Development Cell extends sincere gratitude to the Management, Principal, and Head of the Departments for their support.

DST – NIMAT Project 2017-18 Entrepreneurship Awareness Camp - II

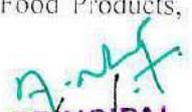

MIET Engineering College, Trichy - Entrepreneurship Development Cell organised "Entrepreneurship Awareness Camp - I" from 04.10.2017 to 06.10.2017 sponsored by DST-NIMAT project for the year 2017-18 from EDII- Ahmedabad.

The camp was inaugurated by Dr. P.Sakthivel Project Officer, M.I.E.T, Trichy has delivered the lecture and shared his experiences on the topic "Why Entrepreneurship?" on 04.10.2017 at 10.00 am held at Training & Placement Seminar hall. The session enlightens the mindset of students regarding the field of entrepreneurship. Sir also shared some tips like enjoy what you do, plan out things, manage your resources wisely, become a self-promoter, level the playing field of technology and much more. Towards the end sir shared with students the three type of people that people mostly end up becoming the one who makes things happens, the one who watch things happen, the one who wonder what's happening. The session then concluded by sir sharing the testimony of different CEO's.

On 05.10.2017 Prof. A. Belin Jude Asst. Prof./ Civil Engineering M.I.E.T, Trichy was the guest and he had delivered the special address on the topic How to Start an SSI unit?. Sir sharing his experience as an entrepreneur and how her journey started. He shared the struggles while starting a small scale industry. He explained students what small scale industries are and what are the pain points that an entrepreneur should focus on while starting a SSI. He also discussed the sectors of opportunities that are available for SSI in India. Also she highlighted the importance of attracting right talent and right partners for setting up of any company. He concluded the session by highlighting the importance of "investing in yourself". 78 students from various departments were eagerly participated in the EAC – II.

On 06.10.2017 the Last day of the programme, Industrial Visit – Care Food Products, Tiruchirappalli –had been arranged for the participants.

Report on "Entrepreneurship & Self Development"

Organized by Entrepreneurship Development Cell on 19th September 2017
at 10.00 am in the College Seminar Hall

Resource Person: Dr. PL. SENTHIL, Certified Financial Educational Trainer (SEBI) Assistant Professor, Department of Management Studies, Jamal Mohammed College, Trichy.

The program commenced at 10.00 AM with a welcome address and introduction of resource person by *Prof. Belin A Jude AP/CIVIL Coordinator(EAC)*, Coordinator ED Cell, Dr.X. Susan Christina was also present. Entrepreneurship Development program titled "Entrepreneurship & Self Development" was organized on 19-09-2017 for Final B.Tech (ECE/CSE) & MBA Students.

Dr A Prabakaran Ph.d, Dean R&D, HOD/CIVIL Chief Coordinator(EAC) in his inaugural address said, 'The institution is providing all the essential resources to pursue entrepreneurial dream. Students should make use of every opportunity that comes their way to build their dream companies.' He insisted on the need to attend this kind of seminars to learn from the experiences of resources persons. In his speech Dr. Rao said that Indian economy's development depends on the new generation enterprises. So, students should learn new business opportunities available in the areas of Analytics, Cloud Computing and Internet of Things (IoT). Dr. PL. SENTHIL in his opening remarks said that the students should make use of resources to the fullest and enjoy the entrepreneurial journey. Speaking about Self Development he said that it is an excursion that any individual who needs to exceed expectations in life must take. It doesn't make a difference in what range you need to exceed expectations and advance, regardless of whether it be in business, work, examinations, marriage or deep sense of being. He added, 'All aspects of our lives can just genuinely enhance on the off chance that we assume liability for their change. The best area of such change that will affect every single other part of our lives, is enhancing ourselves. This can be at a few levels: Enhancing your KNOWLEDGE; Enhancing your SKILLS'. Speaking about Entrepreneurship, he said, 'First, dream and set the objective. There is a quote that says, think ambitiously and continue thinking ambitiously. Bill Gates, the founder

PRINCIPAL
M.I.E.T. ENGINEERING COLLEGE
GUNDUR, TIRUCHIRAPPALLI-520 007.

of Microsoft envisioned that one-day individuals would have their very own PC. People chuckled at him and his fantasy is currently a reality. If we dare to dream, we can turn the fantasy to a reality through diligent work and assurance. Second, Consistent. We should help ourselves out by making a move at this moment, don't sit tight for the correct minute, such does not exist. If we don't do our part of working on our goals every day, then surely nothing will be accomplished. We can begin maintaining a business while being a youngster. Thirdly, be innovative. Seed capital dependably be the primary issue in maintaining a business. It doesn't make a difference if our seed capital is not sufficiently much, yet it relies on our imagination. With innovation, a disaster area can be ended up being a profitable thing. Moreover, amiable and outgoing individual identity is on a very basic level required in maintaining a business. Numerous youthful business visionaries bomb in the main term of a business since they can't deal with the hazardous hindrance. They end up noticeably disappointed and crushed because of unsuitable business result, for example, low benefit, capital lack and then some. The best way to cure it is to be understanding and idealistic. Therefore, we can conclude that all self-improvement begins with self-growth in the area of our knowledge. 'In any case, it is clear from this that enhancing your abilities initially requires enhancing your insight. In this manner we can reason that all self-change starts with self-development in the territory of our insight.' The program received an overwhelmed response with the participation of MBA and IV EEE students. Entrepreneurship Development Cell extends sincere gratitude to the Management, Principal, and Head of the Departments for their support.

PROFORMA FOR STATEMENT OF PROGRAMME COMPLETION

(To be submitted within a week after completion of each programme)

1. Name of the Organization : M.I.E.T. Engineering College.
2. Programme : [✓] EAC / EDP / WEDP / TEDP / FDP - EAC-I
3. Programme Location : M.I.E.T. Engineering College Gundur, Trichy-620007
4. Name of Trainer - Motivator/Coordinator : Dr. A. Prabakaran
5. Date of Launching Promotional Activities [Not applicable for EAC] : N.A.
6. Date of Selection (Interview) [Not applicable for EAC] : N.A.
7. Date of Commencement of the Programme : 07.09.2017
8. Date of Completion of the Programme : 09.09.2017
9. Number of Participants : 150
Male : 68
Female : 82
10. Trade (For TEDP Only) : —

Date: 30.04.18

DST - NIMAT Project 2017-18 Entrepreneurship Awareness Camp - I

MIET Engineering College, Trichy - Entrepreneurship Development Cell organised "Entrepreneurship Awareness Camp - I" from 07.09.2017 to 09.09.2017 sponsored by DST-NIMAT project for the year 2018-19 from EDII- Ahmedabad.

The camp was inaugurated by Mr. K. Balasubramanian CEO, Creative Management Consultancy and delivered the Inaugural address on 07.09.2017 at 10.00 am held at Training & Placement Seminar hall. The session enlightens the mindset of students regarding the field of entrepreneurship. Sir also shared some tips like enjoy what you do, plan out things, manage your resources wisely, become a self-promoter, level the playing field of technology and much more. Towards the end sir shared with students the three type of people that people mostly end up becoming the one who makes things happens, the one who watch things happen, the one who wonder what's happening. The session then concluded by sir sharing the testimony of different CEO's. Dr. S. Sakthivel, Project Officer, M.I.E.T. Institutions has delivered the lecture and shared his experiences on the topic "Why Entrepreneurship?"

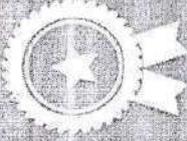

On 08.09.2017 Mr. A. Emthiyas Founder Trendy Foodie, Trichy was the guest and he had delivered the special address on the topic How to Start an SSI unit?. Sir sharing his experience as an entrepreneur and how her journey started. He shared the struggles while starting a small scale industry. He explained students what small scale industries are and what are the pain points that an entrepreneur should focus on while starting a SSI. He also discussed the sectors of opportunities that are available for SSI in India. Also she highlighted the importance of attracting right talent and right partners for setting up of any company. He concluded the session by highlighting the importance of "investing in yourself". 106 students from various departments were eagerly participated in the EAC - I.

On 09.09.2017 the Last day of the programme, Industrial visit Industrial Visit - Creative Management Consultancy, Tiruchirappalli. had been arranged for the participants.

Technical Guest Lecture Report

Training and placement cell have organized a Technical guest lecture for our Final year Mechanical Engineering Students in our Training and placement Seminar hall on 28.08.2017 in collaboration with ISUZU Motors India.

The Program started with an Introduction of ISUZU Motors India and its activities followed by a Presentation on “Corporate Expectations from a fresher employee and what the employee should do to fit in and excel in an organization” by Mr. Vinoth, HR Manager, ISUZU Motors India and Mr. Mahesh, HR Manager, ISUZU Motors, India.

During the interaction, the spokesperson had explained the corporate expectations and needs. It was an eye opener for the students to access and identify common avenues of interaction with industry.

The Students actively participated in the interactive session that followed with interesting and probing questions. Some of the key points discussed during the interaction were human needs, fresher’s need, organization’s need from a fresher and the tips to excel and fit in the organization. The feedback from the students about the program has been found excellent.

STUDENTS FEEDBACK FORM FOR GUEST LECTURE PROGRAMME

Student Name : P. Lawrance Roll No: E1142076 Year: IV

Please select the rating based on the criteria: 5=excellent 4=good 3=average 2=fair 1=poor

Sl. No	Topic	Marks					Sub Total
		1	2	3	4	5	
1	The lecture content met your expectation					5	5
2	The program exposed you to new knowledge and practices				4		4
3	The lecture was clear and easy to understand			3			3
4	The resource person encouraged interaction and was helpful				4		4
5	The lecture stimulated my interest and thought on the subject area					5	5
6	What is your opinion about the resource person?					4	4
7	How relevant was the content discussed by the speaker?			3			3
8	How was your preparation about the topic before the guest lecture?				4		4
9	Overall effectiveness of the lecture				5		5
10	The program is helpful to gain knowledge beyond the curriculum and syllabus				4		4
Overall Total							41

Report of Guest Lecture on Entrepreneurship in Power Electronics and Power Systems: Practical Applications and Future Industry Needs

Organized by
Department of Electrical & Electronics Engineering
in association with Entrepreneurship Development Cell

Resource Person: Mr.S. Sivasubramanian, Executive Engineer, TNEB, Gobichettipalayam,

Report: M.I.E.T -ED Cell organized a guest lecture on “Power Electronics and Power Systems in Entrepreneurship: Practical Applications and Future Industry Needs” on 26th July 2017 in the “B” Block – Training and Placement wing. Mr.S. Sivasubramanian, Executive Engineer, TNEB, Gobichettipalayam, an Industry Expert in the area of Power Electronics was the resource person for the event. The idea behind the guest lecture is to give an insight to the participants about the advancements in power electronics and its practical requirement in power generation and integration with the grid. The lecture highlights the requirement of entrepreneurship in power electronics. The workshop sessions were very interesting, and we got a very good feedback from the participants and with a request to conduct advanced level of workshops/expert lectures like this in future also. Almost 110 students of 4th year and 3rd UG students of EEE participated and got benefited from the lecture and 22 of the faculty members of EEE got benefited with the course. Entrepreneurship Development Cell extends sincere gratitude to the Management, Principal, and Head of the Departments for their support.

Report of Guest Lecture on "Overview of optimization techniques" Organized by R & D Cell

Report: M.I.E.T - R & D Cell organized a seminar on "Overview of optimization techniques" on 30th June 2017 in the "A" Block - Seminar hall. Dr. Renold Elsen, Department of Mechanical, M.I.E.T Engineering College, an Industry Expert in the area of "Overview of optimization techniques" was the resource person for the event. The idea behind the guest lecture is to give an insight to the participants about the advancements in optimization techniques. The lecture highlights the requirement of trends in "Overview of optimization techniques". The Guest Lecture sessions were very interesting, and we got a very good feedback from the participants and with a request to conduct advanced level of workshops/expert lectures like this in future also.

Learning Outcomes:

1. The participants have received valuable awareness in the area of "Overview of optimization techniques".
2. The participants have realized the recent trends in "Overview of optimization techniques".
3. The participants have come to know the importance and benefits "Overview of optimization techniques".
4. The participants have secured valuable information in the area of "Overview of optimization techniques".
