About the Institution

The M.I.E.T. Society founded by Janab Alhaj. Er. A. Mohamed Yunus, an industrialist and educationalist and Alhaj S.M. Hassan Mohamed in the year 1984, offers high quality education in an under developed rural and semi-urban region of Tamil Nadu. This society runs the M.I.E.T. Polytechnic College established in the year 1984, the M.I.E.T. Arts and Science College established in 1993 and M.I.E.T. Engineering College in the year 1998 in one campus. The Institution is focused on providing a vibrant and research oriented environment for students so as to give them an edge when facing challenging technologies and competition in their academic pursuits. The institution offers six B.E./B.Tech. Degree programmes and five M.E/M.Tech. Degree programmes in addition to MBA. The college campus has a well-planned network of blocks with various amenities such as Nationalized Bank, modern Central Library, well equipped laboratories, excellent hostel facilities, well-furnished canteen and sports facilities.

About the Department-MECH

Mechanical Engineering is one of the core fields of Engineering covering Thermal, Design, Manufacturing, Quality Assurance, Maintenance and Management streams. M.I.E.T. offers UG and PG education for creative thinking, product or system designing, ability to overcome constraints and provides effective teamwork with professional ethics. These valuable skills could launch a career in automobile, aerospace, banking, finance, consulting, management, and so on. Our Mechanical department has appropriate infrastructure to offer quality education and training through state of art technology with well

equipped laboratory facilities and also has dedicated, qualified and experienced faculty members in different specialization. Research and Development Centre is the iconic feature of our Mechanical Department. It is evident that the department has been recognized as a Research Center by Anna University, Chennai. Fittingly, the department was accredited by National Board of Accreditation (NBA), New Delhi.

To

The Principal

Dear Sir/Madam

Sub: Invitation for FDP Programme – 19.10.2015 to 25.10.2015 - Reg.

We are very much delighted to inform that we are organizing one week **FDP Programme** on “**INDUSTRIAL ROBOTICS AND AUTOMATION**” from 19th October 2015 to 25th October 2015 by the Department of Mechanical Engineering.

The main objective of the seminar would enlighten the participants about Robotics Automation in industries. We are enclosing the flyer highlighting the salient features of the FDP and request you to kindly display the same in your college and department notice boards in addition to encourage your students and faculty members to participate actively in the FDP Programme.

Looking forward to your energetic participation in making the event a grand success.

Thank you
