About the Institution

The M.I.E.T. Society founded by Janab Alhaj. Er. A. Mohamed Yunus, an industrialist and educationalist and Alhaj S.M. Hassan Mohamed in the year 1984, offers high quality education in an under developed rural and semi-urban region of Tamil Nadu. This society runs the M.I.E.T. Polytechnic College established in the year 1984, the M.I.E.T. Arts and Science College established in 1993 and M.I.E.T. Engineering College in the year 1998 in one campus. The Institution is focused on providing a vibrant and research oriented environment for students so as to give them an edge when facing challenging technologies and competition in their academic pursuits. The institution offers six B.E./B.Tech. Degree programmes and five M.E./M.Tech. Degree programmes in addition to MBA. The college campus has a well-planned network of blocks with various amenities such as Nationalized Bank, modern Central Library, well equipped laboratories, excellent hostel facilities, well-furnished canteen and sports facilities.

About the Department-CSE

Computer Science and Engineering department offers both Under Graduate programme – B.E in Computer Science & Engineering and Post Graduate programs – M.E in Computer Science and Engineering. The UG department was established in the institution during the year 1998, with the intake of 40 and increased to 90 in the year 2004. PG was started in 2006 with the intake of 18. The Computer Science & Engineering department is committed to continuously improve the quality of education by enhancing the knowledge of student and staff members.

The department is strengthened with dedicated, qualified and experienced faculty members with specialization in various fields of interest. It is well equipped with laboratories having the latest configurations and software tools with Internet facilities. The Department has a comprehensive curriculum of Anna University on topics related to all aspects of Computer Software with an emphasis on practical learning. The course structure is up-to-date and includes courses on nascent topics to equip our students with the latest developments. The department presents a unique opportunity to study the exciting field with guidance of quality teachers.

THEME OF THE SEMINAR

- Defining Outcome Based Education
- Students Centric Learning
- Characteristics of Competency Based Learning
- Differences from traditional Educational Methods
- Benefits of OBSE
- Uses of OBE

To

The Principal

Dear Sir/Madam

Sub: Invitation for FDP Programme – 16.12.2019 to 22.12.2019 - Reg.

We are very much delighted to inform that we are organizing one week **FDP Programme** on “**Teaching Learning Methods towards Outcome Based Education**” from 16th December 2019 to 22nd December 2019 by the Department of Computer Science and Engineering.

The main objective of the seminar would enlighten the participants about the Teaching learning methods towards outcome based education. We are enclosing the flyer highlighting the salient features of the FDP and request you to kindly display the same in your college and department notice boards in addition to encourage your students and faculty members to participate actively in the FDP Programme.

Looking forward to your energetic participation in making the event a grand success.

Thank you

With regards,
