

M.I.E.T ENGINEERING COLLEGE, TRICHY – 7.

NPTEL – LOCAL CHAPTER

National Programme on Technology Enhanced Learning (NPTEL) is an initiative by 7 IITs and IISc for creating course contents in engineering and science with the basic objective to devise and guide reforms that will transform India into a strong and vibrant knowledge economy.

M.I.E.T Engineering College is established as the Local Chapter of IIT Madras for the NPTEL Courses from May, 2017.

The course contents of NPTEL are available with the Engineering College Library, that consists of Videos Lectures, PDF, PPT and Audio Lectures of courses covering all the Engineering Discipline which is about 10 Tera Byte (TB) capacity.

147 candidates including faculty member and students have appeared for the NPTEL Online Examinations held for the Odd Semester 2017-2018 (July – December 2017) and all the eligible candidates were applied for scholarship from NPTEL.

62 candidates have appeared for the NPTEL Online Examinations conducted on Even Semester 2017-2018 (January – June 2018)

SPOC – Single Point of Contact

Mr. S Suresh,

Assistant Professor – Civil Engg,

M.I.E.T Engineering College, Trichy – 7.
